CADADIA

GARNACHA – MAZUELA

Cada dia means every day and this is exactly what these three blends and colours stand for: every day easy drinking and thirst quenching wines made from the most authentic Spanish grape varieties.

- **Colour:** Intense ruby red colour with purplish highlights
- **Origin:** Calatayud and Cariñena
- **General characteristics:** A very complementary blend which can be found in Aragon, Catalunya and Languedoc-Roussillon. Both varieties feel very comfortable in dry, warm climate. Garnacha stands for the cherry-red fruit and freshness, Mazuela for the deeper purple colour and the tannins.
